

Eggless Low-Carb Pita Bread with Dips

A soft, flexible low-carb pita bread paired with creamy roasted eggplant yogurt dip and flavorful garlic-herb butter. These recipes are vegetarian, eggless, and suitable for lower-carb meal plans while still feeling hearty and satisfying.

Eggless Low-Carb Pita Bread

- Servings: 4 small pitas
- Approximate Net Carbs: ~4g per pita
- Total Time: 25–30 minutes
- Ingredients:
- 1 cup fine blanched almond flour
- 2 tbsp psyllium husk powder
- 1 tsp baking powder
- 3 tbsp full-fat Greek yogurt
- 1 tbsp olive oil
- 1/2 cup warm water (approx., add gradually)
- 1/2 tsp salt

Pita Bread Method

- Whisk almond flour, psyllium husk, baking powder, and salt.
- Add Greek yogurt and olive oil.
- Gradually add warm water until soft dough forms.
- Rest dough for 10 minutes.
- Divide into 4 balls.
- Roll between parchment sheets into 1/4-inch circles.
- Cook on heated pan 1–2 minutes per side until golden spots appear.
- Alternatively bake at 375°F / 190°C for 10–12 minutes.
- Rest 5 minutes before serving.

Pita Bread Tips & Variations

- Do not add all water at once; psyllium absorbs moisture gradually.

- If dough becomes sticky, allow it to rest before adding more flour.
- For softer pita, add 1 tbsp more yogurt.
- For crispier pita chips, roll thinner and bake longer.
- Add garlic powder, herbs, or za'atar seasoning for flavor variations.
- Can be toasted directly over flame briefly for slight puffing.
- A little mozzarella can improve flexibility if dairy is acceptable.

Eggplant Yogurt Dip (Baingan Raita Style)

- 1 medium eggplant
- 1/2 cup thick yogurt (Greek yogurt or hung curd)
- 1 tsp olive oil
- 1/2 tsp cumin powder
- 1/2 garlic clove, grated (optional)
- 1 tbsp chopped cilantro or mint
- Salt to taste
- Optional: chili flakes or roasted green chili

Eggplant Dip Method

- Roast eggplant until skin is charred and flesh becomes soft.
- Cool slightly and scoop out flesh.
- Mash and mix with yogurt, olive oil, cumin, garlic, herbs, and salt.
- Chill 30 minutes before serving.

Eggplant Dip Tips & Variations

- Roasting directly over flame gives best smoky flavor.
- Drain excess liquid from eggplant for thicker dip.
- Add tahini for Middle Eastern-style variation.
- Mix in roasted walnuts or almonds for richer texture.
- Can be served warm or chilled.
- Mint gives fresher flavor while cilantro gives earthier taste.

Garlic-Herb Butter

- 3 tbsp softened unsalted butter
- 1 clove garlic, minced
- 1/2 tsp dried oregano or Italian herbs
- 1 tsp chopped fresh parsley
- Pinch of salt
- 1/2 tsp olive oil (optional)

Garlic–Herb Butter Method

- Mix all ingredients until smooth and creamy.
- Brush over warm pita.
- Can refrigerate up to 5 days.

Garlic Butter Tips & Variations

- Roasted garlic creates milder sweeter flavor.
- Can add chili flakes for spicy version.
- Add grated vegetarian Parmesan for richer taste.
- Fresh dill or basil also work beautifully.
- Can be melted and used as dipping butter.

Serving Suggestions

- Serve pita warm with both dips.
- Use for wraps or mini sandwiches.
- Pair with roasted vegetables or paneer.
- Can be cut into wedges and toasted into pita chips.

Approximate Nutrition (Per Serving Combination)

- Calories: ~220–280
- Protein: ~8–10g
- Net Carbs: ~5–7g
- Fat: ~18–22g
- Fiber: ~5–7g

Storage

- Pita keeps refrigerated 3–4 days.
- Eggplant dip keeps 2–3 days chilled.
- Garlic butter keeps 5 days refrigerated.
- Pita can be reheated on skillet for softness.
