

Cheesy Low-Carb Burger Buns (Eggless, Yeast, Yogurt)

Dry Ingredients

Almond flour – 180 g

Pea protein isolate – 50–55 g

Bamboo fiber – 20–22 g

Psyllium husk powder – 18 g

Baking powder – 8 g (2 tsp)

Instant yeast – 10 g (2.5 tsp)

Salt – 5 g

Sweetener – 5–8 g (optional)

Wet Ingredients

Warm water (50–55°C) – 360–370 ml

Greek yogurt – 90 g

Olive/avocado oil – 30 ml (2 tbsp)

Apple cider vinegar – 1 tbsp

Cheese

Low-moisture mozzarella – 50 g (grated)

Method

Activate yeast in warm water with sweetener (5–7 min).

Mix dry ingredients.

Add wet ingredients and mix 3–4 min.

Fold in cheese gently.

Rest dough 12–15 min.

Divide into 8 buns and shape gently.

Proof 30–35 min (covered).

Bake at 180°C (350°F) for 25–30 min.

Cool completely before slicing.

Tips

Use wet hands to shape for smooth surface.

Do not over-compress dough.

Sprinkle cheese on top before baking for crust.

If buns spread, increase psyllium slightly next batch.
