

Coconut Chia Payasam with Berries (Low-Carb, Sugar-Free) Festive Batch (4–6 servings)

Ingredients (4–6 small servings):

- Coconut milk (thick) – 2 cups
- Water – 1 to 1.5 cups (adjust for consistency)
- Chia seeds – 4 tbsp
- Sweetener (allulose/monk fruit) – 6 to 8 tbsp (adjust to taste)
- Cardamom – 1/2 tsp
- Strawberries – 6 to 8 (chopped)
- Blueberries – 1/2 cup

Method:

1. In a bowl, mix coconut milk, water, chia seeds, sweetener, and cardamom.
2. Stir well and let sit for 30–60 minutes (or refrigerate 2–3 hours/overnight) until thickened.
3. Stir once midway to prevent clumping.
4. Top with berries just before serving or lightly mix some in.

Serving Tips:

- Serve chilled in small cups or glasses.
- Garnish with a few berries on top for a festive look.
- Optional: add small tender coconut pieces or saffron strands.

Notes:

- Adjust thickness with extra water or coconut milk.
- Keep berries moderate to maintain low-carb profile.
