

Mixed Seed Low-Carb Loaf Variation

Use your locked Signature Everyday Low-Carb Sandwich Loaf as the base recipe.

Seed Mix (40–50g total)

Pumpkin seeds — 15g
Sunflower seeds — 15g
Sesame seeds — 10g
Whole flax seeds — 5g
Chia seeds — 5g

Important Adjustment

Add 15–20 ml extra water to account for chia/flax absorption.

Method

1. Prepare your base loaf dough as usual.
2. After dough is fully mixed, fold seeds in gently.
3. Mix only until evenly distributed.
4. Transfer to loaf pan and smooth top.
5. Optional: brush top lightly with water or yogurt-water mix and sprinkle extra seeds.

Bake

Follow your locked loaf baking schedule exactly.

Best Uses

Avocado toast, grilled veggie sandwiches, cheese toast, soup pairing.

Do Not Do

Do not exceed 60g total seeds.
Do not replace almond flour with seeds.
Avoid hemp hearts in the first test batch.
