

Low-Carb Pistachio Danish Butter Cookies (Eggless, No Piping)

■ Makes: 12–15 cookies

Ingredient	Grams	Cup / Spoon	Notes
Unsalted butter (soft)	70 g	■ cup	Room temperature, not melted
Powdered erythritol or allulose	40 g	■ cup	Erythritol = crispier, Allulose = softer
Vanilla extract	—	½ tsp	Adds depth of flavor
Almond flour (superfine blanched)	100 g	1 cup loosely packed	Base flour
Coconut flour	10 g	1 tbsp	Adds structure and mild crispness
Cornstarch (optional)	5 g	1 tsp	For light texture; skip for stricter keto
Salt	—	pinch	Balances flavor
Heavy cream or milk	10–15 g	1 tbsp	Adjust for soft, pliable dough
Finely chopped pistachios	25–30 g	3 tbsp	Mix into dough or press on top

■■■■ Method

- 1■■■ **Cream Butter & Sweetener:** Beat soft butter and powdered sweetener until light and creamy (2–3 min). Stir in vanilla extract.
- 2■■■ **Mix Dry Ingredients:** Combine almond flour, coconut flour, cornstarch (if using), and salt. Add to creamed butter.
- 3■■■ **Form the Dough:** Mix gently to form a soft dough. Add 1 tbsp cream or milk only if needed. Fold in 2 tbsp chopped pistachios, reserving 1 tbsp for garnish.
- 4■■■ **Chill:** Refrigerate for 15–20 minutes to firm up.
- 5■■■ **Shape by Hand:** Scoop 1 tbsp dough per cookie. Roll into balls, flatten slightly, and press pistachios on top.
- 6■■■ **Bake:** Bake at 150°C (300°F) for 18–22 min until edges turn golden. Cool completely before handling.
- 7■■■ **Store:** Once cooled, store in an airtight jar for up to 7 days at room temp or 2 weeks refrigerated.

■ Tips & Variations

- Add a hint of cardamom or rose essence for an Indian-style pistachio cookie twist.
- Dip half the cooled cookie in melted sugar-free chocolate for a festive look.
- For extra crispness, bake 2–3 minutes longer, watching carefully to avoid overbrowning.

- Variation ideas: Substitute pistachios with almonds or pecans; add 1 tsp cocoa powder for chocolate cookies.
