

Low-Carb Cheesy Garlic Bread (Egg-Free)

Ingredients

- 2 cups shredded mozzarella cheese
- 3 tbsp cream cheese
- 1 tbsp ground flaxseed + 2½ tbsp warm water (flax egg substitute – mix and let sit 5–10 minutes)
- ½ cup almond flour
- 2 tbsp coconut flour
- ¼ cup grated Parmesan cheese
- ½ tsp garlic powder
- ½ tsp dried oregano
- ¼ tsp salt
- ¼ tsp black pepper
- 1 tbsp chopped fresh parsley (for garnish)

Instructions

1. Preheat oven to 400°F (200°C). Line a baking sheet with parchment paper.
2. Make the flax egg: In a small bowl, mix 1 tbsp flaxseed meal with 2½ tbsp warm water. Let it sit 5–10 minutes until it thickens.
3. Melt the cheeses: In a microwave-safe bowl, combine mozzarella cheese and cream cheese. Microwave for 1 minute, stir, then heat another 30–45 seconds until fully melted and smooth. (Alternatively, melt on low heat in a nonstick pan.)
4. Mix dry ingredients: In a separate bowl, whisk together almond flour, coconut flour, Parmesan cheese, garlic powder, oregano, salt, and pepper.
5. Form the dough: Add the flax egg and dry ingredients into the melted cheese mixture. Stir and knead (using your hands or spatula) until you have a soft, uniform dough. If it's too sticky, add 1–2 tsp almond flour.
6. Shape and bake: Place the dough on the prepared baking sheet. Flatten into a rectangle or oval, about ¼ inch thick. Bake for 10–12 minutes, until golden around the edges.
7. Add garlic butter topping (optional): Mix 1 tbsp melted butter (or olive oil) with a pinch of garlic powder, parsley, and Parmesan. Brush over the baked bread.
8. Final broil: Return to oven for 2–3 minutes (or use the broil setting) until the top turns slightly golden and bubbly.
9. Slice & serve: Let cool for 2–3 minutes, slice into strips, sprinkle parsley, and serve warm with marinara sauce or soup.

Tips

- Bake a few extra minutes for a crispier crust.
- Mix chili flakes or Italian seasoning into the dough for extra flavor.
- Keeps well refrigerated up to 3 days; reheat in oven or air fryer.
