

Low-Carb Pistachio Cookies (Eggless, Crisp, Bakery-Style)

Ingredients

Wet Ingredients

- 200 g unsalted butter, soft
- 120–140 g powdered allulose + monkfruit blend (110 g if using only allulose)

Dry Ingredients

- 160 g superfine almond flour
- 40 g coconut flour
- 30 g milk powder
- 20 g vanilla whey isolate (or 10 g coconut flour + ½ tsp vanilla extract)
- 1 tsp baking powder
- 1 tsp cardamom powder
- ½ tsp salt

Nuts

- 100 g chopped pistachios
-

Method

1. Mix Dry Ingredients

Combine all dry ingredients and mix well.

2. Cream Butter & Sweetener

Beat butter and sweetener 2–3 minutes until pale and fluffy.

3. Combine Wet & Dry

Add dry mix into creamed butter. If dry, add 1–2 tsp milk or cream. Form a soft dough.

4. Add Pistachios

Fold in chopped pistachios and knead lightly.

5. Roll, Freeze & Cut

Roll between parchment sheets, freeze 15–20 minutes, cut shapes.

6. Bake

Bake at 150–155°C for 22–25 minutes until edges turn light golden. Cool completely for crispness.

Optional Variations

Saffron-Pistachio

Add 1 tbsp warm milk with saffron + $\frac{1}{4}$ tsp rose essence.

Thandai

Add fennel, nutmeg, white pepper, and ground nuts.

Mocha (using sugar-free chocolate chips)

Melt 2 tbsp chocolate chips + $\frac{1}{2}$ tsp instant coffee and add to wet mixture.

Rose Cardamom

Add rose essence + dried rose petals.

Keto Version

Replace milk powder with coconut milk powder; add 1 tbsp extra butter if dry.
